

Please use this guide to assist you in calculating the number of sheets you require.

The row shaded grey will tell you how many sheets are required ***including the overlap*** to cover the metres specified directly below it.

Rolpanel Profile Sheet Calculator (Wall Cladding)

Number of Sheets	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Coverage	0.840	1.680	2.520	3.360	4.200	5.040	5.880	6.720	7.560	8.400	9.240	10.080	10.920	11.760	12.600
